**About Intervention**  
The law provides for an open public hearing at which, under appropriate circumstances, interested parties may intervene. Any person or entity entitled by law to intervene and having a direct and substantial interest in the matter will be permitted to intervene. If you would like to intervene, you must file a written motion to intervene with the Commission no later than January 19, 2011. You must send copies of the motion to the Company or its counsel, and to all parties of record in the case. Your motion to intervene must contain the following:

1. Your name, address, and telephone number, and the name, address, and telephone number of any party upon whom documents are to be served in your place, if desired;
2. A short statement of your interest in the proceeding (e.g., a customer of the Company, a shareholder of the Company, etc.); and
3. A statement certifying that a copy of your motion to intervene has been mailed to the Company or its counsel and to all parties of record in the case.

The granting of motions to intervene shall be governed by A.A.C. R14-3-105, except that all motions to intervene must be filed on or before January 19, 2011. If representation by counsel is required by Rule 31 of Rules of the Arizona Supreme Court, intervention will be conditioned upon the intervenor obtaining counsel to represent the intervenor. For information about requesting intervention, visit the Arizona Corporation Commission's webpage at <http://www.azcc.gov/divisions/utility/forms.asp>. The granting of intervention, among other things, entitles a party to present sworn evidence at hearings and to cross-examine other witnesses. However, failure to intervene will not preclude any customer from appearing at the hearing and making a statement on such customer's own behalf.

**ADA/Equal Access Information**  
The Commission does not discriminate on the basis of disability in admission to its public meetings. Persons with disability may request a reasonable accommodation.
